PERMIT STATIONS: All visitors must obtain a DAILY VISITOR USE PERMIT card from a self-service permit station. Parts A and B of this permit must be legibly filled out before using the WMA. Part A of the permit must be deposited in the return box at a permit station before using the WMA. Part B must be kept with the visitor while on the WMA. Permits are invalid if not properly dated or if date has been changed. Before leaving the WMA, visitors must complete the reverse side of Part B of the permit by recording the number of animals harvested and deposit it in the return box at a permit station. It is the responsibility of the Area Manager and other Agency personnel to have permit cards completed.

DEER DATA COLLECTION: All deer harvested must be checked at the WMA Headquarters or at the first self-service data collection station (see map) encountered by the hunter who harvested them before leaving WMA. If WMA personnel are not available to check the deer, the hunter is responsible for collecting and legibly recording ALL biological data. Instructions and equipment will be provided.

LEGAL BUCKS: Legal bucks are those with an inside spread of at least 10 inches OR one main beam length of at least 13 inches. For hunters 15 years of age or younger, any antlered buck is a legal buck, except during gun seasons with dogs, when a legal buck is a buck with an inside spread of at least 10 inches OR one main beam length of at least 13 inches.

LEGAL WEAPONS: Only centerfire rifles, shotguns with slugs or buckshot, primitive weapons, and centerfire handguns may be used for deer hunting.

OFF-ROAD MOTORIZED VEHICLES/ATVs: ORVs/ATVs are allowed only for the retrieval of harvested deer or hogs and for use from camps to boat ramps. No loaded weapon may be in possession when retrieving harvested game. ATVs and motorcycles are restricted to designated trails only (see map). ATVs and motorcycles are allowed on sandbars only for crossing along designated trails from one of the three access points. Deer hunting is not allowed from designated ORV/ATV trails. ATVs and motorcycles left unattended in the Big Swamp must be stored at one of the three

designated storage areas. These areas must be maintained in a neat and orderly manner. ORVs/ATVs left unattended must have the owner's name and phone number permanently and legibly written and attached to the handlebars. ORVs/ATVs not in compliance with these regulations or left unattended on the area more than 30 days may be confiscated and disposed of by the MDWFP.
